MEMORANDUM FOR: Chief, Development Branch, DPD
SUBJECT: Modification to C-130B

1. The Agency is attempting to have a C-130B made available for use on clandestine missions. The C-130B, as normally configured, does not include a radio operator's position and certain installed equipment which is desirable for more accurate navigation and communications equipment compatible with our clandestine radio net. It is therefore requested that you provide a cost estimate for purchasing and modifying and/or installing the following in a C-130B:

25X1C

is specified so as to be compatible with ground support, test equipment, and spare parts that CAT will have available to maintain a similar set in their Convair 880.

25X1A
25X1A

2. Request that, in the cost figures as requested above, an indication be made as to how much time the above modifications will involve ~~cost~~ if done at _____ if it would be feasible to have these accomplished at _____

25X1A
